

Recommended Fare Plan

Fixed-Route Fares

- \$1 Per Ride stays in place
- \$3 All-Day pass stays in place
- \$56 31-Day pass stays in place

Community Mobility Zone Fares

RTS On-Demand

- Connect to or from an RTS bus stop.....\$1
- Curb-to-Curb within the zone.....\$3

RTS Flex Service

- From bus stop to bus stop.....\$1
- For each flex request.....\$1 per flex request

Example: A bus flexes off its route to pick-up a customer, returns to the route, and flexes off the route again to drop-off the same person.
This trip would cost \$3. \$1 base fare + 2 deviations at \$1 each = \$3

Personal Mobility on Demand (PMoD)

RTS subsidizes up to \$5 per ride:

- Customer pays the first \$1
- RTS pays up to the next \$5 of the ride
- Customer pays any remaining cost
- Entire trip must stay within any one CMZ
- RTS will review overall cost and self-perform service if it becomes more cost effective
